Getting involved
and celebrating life with LIFE CENTERS

"Now choose life, so that you and your children may live and that you may love the Lord your God . . . for the lord is your life . . ." – Deuteronomy 30:19-20

The mission of Life Centers is to affirm the value of life by providing a network of care to those experiencing pregnancy-related crisis and by compassionately presenting biblical truth resulting in changed lives to the glory of God.

bottles for babies

Help Life Centers raise over $100,000 this year! **Participating is simple: Pick start and end dates** for your campaign (allowing 2-4 weeks in between). **Order and pick up** baby bottles from a Life Centers location. **Announce the fund-raiser** through provided bulletin inserts or screen images. Then **distribute** the empty bottles, fill them with coins, cash and checks, and **return** them. Life Centers counts the change and tells you how much you raised! "choose life" license plate

Support Life Centers while you drive! Just go online to lifecenters.com/choose-life-plate to get a "Choose Life" license plate. You will show others on the road that you support life while helping women in unplanned pregnancies choose life for their babies! Please consider having a "Drive for Life" campaign at your church and encourage others to purchase a plate.
