*make a difference*  
Help protect unborn babies and  
share Christ with their moms!

Last year you raised over \$122,000...

Help Life Centers Reach a Goal of \$150,000 This Year!

**bottles for babies is simple!**

**Life Centers saves babies and helps moms because life matters.**

We counsel thousands of women about pregnancy each year. We show them their babies through ultrasounds and share the good news of Christ! As a result, hundreds of women see Jesus' love and hundreds of unborn children are saved each year!

**what is bottles for babies?**

Gather your coins and fill baby bottles with your change...it changes lives!

**who participates?**

Join with your church, organization, Sunday school class, vacation Bible school, MOPS group, work or school!

**when do I begin?**

Start any time January-July. Celebrate Sanctity of Human Life Sunday in January or Mother's Day in May with this symbolic campaign.

**a little change  
can really add up!**

**pick a date**

Select a time to kick off your campaign. Mother's Day on Sunday, May 8, 2011 and Father's Day, June 21, 2009 are great days to start or end!

**order bottles**

**Call (317) 280-2635 to participate.** You can arrange pick-up of bottles at Life Centers administration office or the location nearest you (see center listings on back). Each box contains about 30 bottles.

**announce  
the campaign**

Pick up a B4B Promo Packet with church bulletin announcements and Life Centers posters and brochures.

**distribute  
the bottles**

Display empty bottles for pick-up using a table, bassinet or baby crib ... you can be creative! Set a goal for your organization or church!

**set a  
return date**

Choose a date for your organization or church to return the bottles to you – typically 2-4 weeks after distribution.

**turn in bottles**

Return your filled and extra bottles to Life Centers in the original boxes. Life Centers will count your change and report the total you raised!
