

Celebrate Life

by partnering with

Choose to love the Lord your God and to obey him and commit yourself to him, for he is your life. –Deuteronomy 30:20

The mission of Life Centers is to affirm the value of life by providing a network of care to those experiencing pregnancy-related crisis and by compassionately presenting biblical truth resulting in changed lives to the glory of God.

bottles for babies

This fun campaign raised over \$100,000 last year! **Participating is simple: Pick start and end dates** for your campaign (allowing 2-4 weeks in between). **Order and pick up** baby bottles from a Life Centers location. **Announce the fund-raiser** through provided bulletin inserts or screen images. Then **distribute** the empty bottles, fill them with coins, cash and checks, and **return** them. Life Centers counts the change and tells you how much you raised!

“choose life” license plate

Support Life Centers while you drive! Just **visit your local BMV** and get a “Choose Life” License Plate. The cost of a specialty plate is \$40, and **\$25** of that is a **donation** which goes **toward the pregnancy resource center in your county** each year your plate is registered. You will show others on the road that you “drive for life” while helping women in unplanned pregnancies choose life for their babies!

life champion

A Life Champion provides **faithful, monthly financial support** as a base of resources needed for Life Centers to provide free services. With your monthly gift of \$25, \$50, \$75, or \$100 you receive a quarterly **members-only update letter** with a recent client testimony, as well as an invitation to a bi-annual open house with president and CEO Brian Boone.

volunteer/peer counseling training

Encourage church members to consider becoming a peer counselor. The Life Centers **21-hour** Volunteer Peer Counselor Training course **equips volunteers to peer counsel** women in pregnancy-related situations and **educates** them on a variety of topics such as the abortion procedure and other pregnancy-related issues, fetal development, center operations, and evangelism within a center. Registered nurses can also be trained as ultrasound professionals.

life intercessor prayer partner

As a Life Intercessor, you receive a **weekly e-mail or mailing** that details the current praises and needs of the ministry. Life Intercessors commit to regularly pray for God’s protection, provision and guidance for this life-saving ministry.

life ambassador

Life Ambassadors are the **liaisons between Life Centers** and their churches or communities. Life Ambassadors **LINK** their church with current ministry resources and materials, **INFORM** others of ministry news and activities, **FIND** friends and other members to support or volunteer, and **ENCOURAGE** event participation. These key volunteers commit to **one year** in which they recruit others to **participate in the mission, communicate with staff** through mail, e-mail, and occasional meetings, and **receive promotional material** and other resources. Life Ambassadors are equipped to serve as **valuable pro-life representatives** in Central Indiana.

speaker's bureau

Life Centers can provide you with **staff and clients** who are prepared to share about the life-changing pregnancy center ministry. Clients who changed their minds from abortion to choosing life, staff who have served on the frontlines, and post-abortive speakers can educate your church about the sanctity of human life and the role of Christ-centered pregnancy centers within the pro-life movement.

dvd overview video

Have a "ministry moment" in your church by sharing the Life Centers DVD video. This free DVD includes a 4:40 minute **ministry overview** and several Life Centers **client testimonies** of different durations. These **powerful first-hand accounts** will inspire your church and educate them about the mission.

baby showers

Host a baby shower for a Life Centers client who chose life for her baby. The **center** in your area **connects you** with a woman in your community, and you host the event at your church with gifts to bless the mother and her child.

g.r.a.c.e.

God's Real Acceptance, Compassion, and Encouragement (G.R.A.C.E.) is a **post-abortion recovery and support group** for those who have experienced or been effected by abortion. Life Centers offers confidential, 10-week Bible studies and weekend retreats. You can **refer church members** to this program or **host a group at your church**.

non-counseling volunteering

Give the gift of time and talent by serving in roles that **do not require** the Life Centers 21-hour **training course**. You can be a receptionist, help with tasks including data entry, handyman jobs, mailing assembly, assistance with special events, sorting donations, cleaning a center, and more.

donation drive

You can hold a drive by encouraging your church to donate need support service items such as **diapers, wipes, baby and maternity clothes, bottles and more**. You can also receive a designated love offering at your church.
